Respected Sir, Assalam o Alaikum!

I feel much pleasure to write a few words about the services of Takaful Pakistan Ltd. I had not even heard the name of Takaful before April 2009. I alongwith my mother was proceeding to Umrah via a transiet flight through Dubai where a tragic incidence happened. My mother got injured at airport and we had to get admitted to Rashid Hospital Dubai. Then I noticed a travel insurance paper with my tickets. At that time I was not aware of the significance of that paper. Still I contacted Takaful office and they assured me regarding reimbursement of hospital bills. I made my claim after return from Dubai. I was much astonished over the speedy processing of my travel insurance claim. I think this is a tremendous service. I want to thank Takaful Pakistan especially Head of Travel Insurance and his team. Last but not the least I thank Miss Adeela and Mr. Rana Abdul Bari(Multan Branch) for their professional behaviour and nice cooperation regarding my case. I feel this is a tremendous service for the travelers. I wish all the financial institutions of Pakistan to be like Takaful Pakistan Ltd.

Sincerely Yours, 
Dr M.Akram Hussaini,
